CHAPTER V CONCLUSION AND SUGGESTION

After analyzing discussing the problem in pr ious chapter, the researcher would like to present some conclusion, neside the researcer also give suggestions.

5.1 Conclusion

After analyzing the some speech by Jokowi. The research made conclusion. The terms being discussion would not be immediately, when it was heard for the first time. The listeners would interpret with various kinds of meanings.

Researchers have taken the data from some of the speeches that have been read by Jokowi during his presidency, then the researchers analyzed messages and context, filtering out some sentences that can be understood and understood the meaning of the sentence. Context on the analysis performed by the researchers is to include some 6 kinds, but more to understanding a sentence.

5.2 Suggestion

The significance of the research and the results of the study, the researchers' goals some suggestions. Research hope that this study is useful for further research especially young research department of English at the State Islamic University Sunan Ampel Surabaya and useful for other researchers. It was
