

## ABSTRAK

The skripsi undered title "The Role of Moslem Figures on Center Adviser Agency (*Chuo Sangi-in*) Toward Indonesian Freedom in the 1943-1945 Years" is the skripsi that complicate in partial fulfillment of the requirement for the degree of Sarjana in IAIN Sunan Ampel Surabaya. In this skripsi the materials is focused on the condition of Islam in Japanese era which specificated on two years lastest Japan had taken place about Japan government wisdom which had give the opportunities in every aspects, like from politic, military, education, and religion. The purpose is to describe the function of moslem in history of Indonesian national movement which were often forgotten the existence.

In this skripsi are using the historical method, which begin by collects several sources, primary and secondary (*Heuristic*), then the writer compares and gives some critics to the sources which have gotten to find the relevant datas as the research matter. The next step is text analyze or interpretation from some sources by adjusting with the problems that are to be the sources analysis. After interpret, the writer on the primary step, it is *Hostoriografy* or historical writing. Frow the research result, it appears that in Japanese era the existense of Islamic figures had the important role in National Movement History for decided the Indonesian freedom.

It proved when the last of Japanese take place, Japan had loosed from copartners which then they asked the endorsement to resist them. In Indonesia islam is community, specially in Java and Madura are majority. So, to got interest of Moslem, Japan had to tractable in disposition to them and gave the concession in everything. The Japanese wisdom, there were they collocated of Islam figures in some government positions, such as Corporation Advisor Center/*Chuo Sangi-in*, *Shuubu*, *Shumuka*, *Djawa Hokokai*, Masyumi, and gave the concession by permitting of religy organitation to actived again, like as NU, Muhammadiyah, and Perserikatan Ulama. To support *Dai Nippon*, Japan also compossed Hisbullah which prepared to resist the confederates.

Key word: Center Adviser Agency, *Chuo Sangi-in*, Islam, Japan.
