CHAPTER V

CONCLUSION AND SUGGESTION

5.1. Conclusion

This last chapter deals with the results of the discussion and analysis in the previous chapter constitutes the employment of politeness strategy based on Brown and Levinson in the film entitled "The Proposal" and some findings obtained from all the data analyzed. There are positive politeness strategy, negative politeness strategy and bald on record. There are eighteen Positive politeness strategies, eight negative politeness strategies, and two bald on record. So the conclusions from this analysis are there are many positive politeness strategies and we can know the weaknesses and strengths of the film from language that use in politeness strategies.

5.2. Suggestion

Based on the analysis of the research, the researcher would like to give some suggestions about the analysis of dialogs in a film using Politeness Strategy based on Brown and Levinson. I think better if in the movie there are many negative politeness strategy meanwhile positive politeness strategies. It is suggested that other researchers also pay intention in combining those politeness strategies above with other issues, for example the use of politeness strategy by children.
