

## ABSTRACT

Putri, Mega, S.N. 2016. *Representative Illocutionary Acts used by Barrack Obama in Presidential Election Debate 2008-2012 Period*. English Department, Faculty of Arts and Humanities, State Islamic University of Sunan Ampel Surabaya. Advisor: Prof. Dr. Hj. Zuliaty Rohmah, M. Pd

Keywords: Speech acts, Illocutionary Act, Representative, Barrack Obama.

In this research, the researcher discusses the use of Representative Illocutionary Acts, which is uttered by Barrack Obama in Presidential Election Debate 2008-2012 period. Furthermore, the focus of this research is to find what types of representative illocutionary acts and what functions of representative illocutionary acts are used by Barrack Obama.

The researcher uses descriptive qualitative methods to collect and analyze the data. The researcher collects the data from the script of Barrack Obama's conversation. Moreover, to analyze the data, the researcher uses representative illocutionary act theory of John Searle and Leech.

The findings show that the kinds and the functions of representative illocutionary acts used by Barrack Obama are a) informing to assert (32.16%); b) informing to report (30.06%); c) denying to assert (11.88 %); d) agreeing to announce (9.06%); e) agreeing to assert (6.92%); f) disagreeing to announce (5 %); g) suggesting to instruct (2.79%); h) suggesting to assert (2.09%); i) confirming to assert (1.39%); j) informing to instruct (0.69%); Thus, it can be conclude that the most dominant is informing to assert type. It was happened because he intended to give important information based on the fact of situation, which was happened in their nation, United States.
