

ABSTRACT

Rakhmawati, Aulia. 2017. *Lexical Collocation in The Jakarta Post Newspaper*. State Islamic University of Sunan Ampel Surabaya

Advisor : Dr. A. Dzo'ul Milal, M.Pd

Key Word : Lexical Collocation, Articles, Jakarta Post Newspaper

This study analyzes lexical collocation in the context. The meaning of context in this study is articles of each sections (news, sports, opinion, and living) in *The Jakarta Post newspaper*. This study focuses on the existence and the usage of lexical collocation in non-native newspaper, *The Jakarta Post*.

This study also provides answers the following problems: (1) What is type of lexical collocation presented in *The Jakarta Post newspaper*?; And (2) How is the usage of lexical collocation in *The Jakarta Post newspaper*?.

This study uses content analysis approach to getting and to analyzing the data. In addition to help analyzing data, this study also uses application dictionary (English Collocation Dictionary IELTS) to help researcher search and check the lexical collocation words. Thus, the analysis is based on Benson who said lexical collocation has seven types.

The finding of this study show the articles in *The Jakarta Post Newspaper* present only six types of lexical collocation. The types are lexical collocation verb(active) + noun, adjective + noun, noun + verb, noun + noun, adverb + adjective or adjective + adverb, and adverb + verb. And this result of this study show the usage of lexical collocation based on kind of articles (news, opinion, sport, and living) are different.

ABSTRAK

Rakhmawati, Aulia. 2017. *Lexical Collocation in The Jakarta Post Newspaper*. State Islamic University of Sunan Ampel Surabaya

Advisor : Dr. A. Dzo'ulMilal, M.Pd

Key Word : Lexical Collocation, Articles, Jakarta Post Newspaper

Penelitian ini menganalisa lexical collocation dalam konteks. Konteks yang dimaksud dalam penelitian ini adalah artikel-artikel darisetiap rubric (berita, opini, olahraga, dan kehidupan) di koran *The Jakarta Post*. Penelitian ini berfokus untuk menunjukkan keberadaan dan eksistensi dari lexical collocation.

Penelitian ini juga menyediakan jawaban-jawaban dari masalah berikut: (1) Apa saja tipe-tipe lexical collocation yang dimunculkan di Koran The Jakarta Post; Dan (2) Bagaimana penggunaan lexical collocation di Koran The Jakarta Post?.

Penelitian ini menggunakan pendekatan content analysis untuk mendapatkan dan menganalisa data. Untuk membantu menganalisa data, penelitian ini juga menggunakan kamus aplikasi (English Collocation Dictionary IELTS) untuk membantu peneliti mencari dan memeriksa kata-kata lexical collocation yang ditemukan. Dan analisa ini berdasarkan pernyataan Benson, yang mengatakan bahwa ada tujuh tipe-tipe lexical collocation.

Hasil dari penelitian ini menunjukkan artikel-artikel di koran The Jakarta Post hanya memunculkan enam tipe lexical collocation. Tipe-tipe tersebut antara lain lexical collocation verb(active) + noun, adjective + noun, noun + verb, noun + noun, adverb + adjective or adjective + adverb, and adverb + verb. Dan hasil dari penelitian ini juga menunjukkan bahwa penggunaan lexical collocation berbeda-beda berdasarkan jenis artikel atau konteks.
