CHAPTER V

CONCLUSION AND SUGGESTION

This chapter is divided into parts, namely conclusion and suggestion. Based on the findings and discussion on the previous chapter, the writer draws a conclusion of the use of chained writing in teaching writing to improve student's writing skill. Meanwhile, the last section proposes some suggestions are given to the English teacher and other researcher who are going to conduct the familiar research. The conclusion and suggestion are presented as follows:

A. Conclusion

Based on the result of the research problem, the result of this observation shows that:

1. The improvement of this students activities in the first cycle only 71, 75 become 78, 5. This case improve about 6, 75, whole in third cycle improve about 4, 25. And the next cycle of the average students score that are 82, 75 to be 86, 25. So this case improve about 3, 5.

B. Suggestion

Based on the result of students in teaching learning in the previous chapter, the researcher provides suggestion as follows:

 English teachers are hoped to use chained writing skill in teaching and learning process. 2. This activity very beneficial especially teacher and students, it is that of this activity should be conducted as phase was within the course of writing skill or other course because this activity was very beneficial.

Chained writing technique aims to avoid the students' boredom and to attract the students' motivation to learn more about English, especially, writing skill. It because the form of chained writing is colorful and easy to understand, attract the students' motivation and to learn more about English, especially writing skill.
