

the creature. He is a true sign of the Prophet Muhammad, is a clear evidence for the prophethood and the apostles. Thus, the Qur'an is primary reference in the conduct of the Muslims and as well as a handle on life.

Religion is a system of beliefs, faith and knowledge that is still dominated and manage the existence of many society. Islam especially, in this reality becomes very important, for a variety of revolutionaries movement which is widely known and associated with Islam cause a variety of amazing events which are all on behalf of God and his teachings.

Because of the grandeur and importance Al-Quran for mankind it is necessary to understanding the based of the Prophet Muhammad and *riwayat* that presented by the friends and tabi'in RA. Thus Sheikh Muhammad Ali Shabuni emphasized that an understanding of the Quran is not just uncover the veil from the hidden meaning of divine revelation or reveal his secrets and treasures, but to free the mankind from slavery to the slave into slavery to God, Bringing an individual and people to the mighty Essence.

Began discussion of Al-Qur'an as a collection of the revelations from Allah SWT, Imam Az-Zarqani in his book, *Manahilul Irfan* said, "Really there are some people believes that Gabriel came to the Prophet carrying the meaning of the Al-Qur'an, then the Prophet himself who compiled the wording in the Arabic language. Others have believes that the pronunciation from Gabriel, while Gabriel just received in the form of the meaning from Allah SWT. That stance against the Al-Qur'an, hadith, and ijma. There are many other opinions from scholars that is misleading the people. As a basis for understanding the Qur'an we need to
