## **APPENDIXES**

### **A. Lyric of “Everybody be who you want to be” Smartfren Jingle**

La la la la live smart

You got something you want to say

Don't wait for another day

You got something you want to do

Don't wait in the end of the queue

Use this time

Shimmer and shine

Everybody be who you want to be

Not what you think other want to see

Gotta live to express

And let nothing hold you back

Everybody be who you want to be

Not what you think other want to see

Say what you want

Come on shout it out to the world

Let nothing hold you back

**B. Lyric of “To Celebrate with me” Smartfren Jingle**

To keep in touch

To say I miss you

To be whatever you want to be

To fall in love

To fill in words

To be famous and spontaneous

To be whatever you want to be

So celebrate with me

Live, live, ooo...la la la

**C. Lyric of “The Star”**

Twinkle, twinkle little star

How I wonder what you are,

Up above the world so high,

Like a diamond in the sky,

When the blazing sun is gone,

When he nothing shines upon,

Twinkle, Twinkle, Little Star...
