

## CHAPTER 4

### CONCLUSION

This thesis discusses about problematic of threesome which done by Weetzie and a pair of gays, Dirk and Duck. Specifically, the discussion focuses on the factors that cause Weetzie and a pair of gays, Dirk and Duck, decide to do threesome and the effect of their threesome to Weetzie's life. Therefore, this study utilizes queer theory as the main theory to be applied in the analysis. There are two points of view in revealing the factors of those three of characters decide to do threesome. They are Weetzie's point of view and a pair of gays' point of view decide to do threesome.

Weetzie's point of view shows that there are factors that make up Weetzie's sexual desire to do threesome. First, Weetzie wants to have a baby while My Secret Agent Lover Man does not. Second, Dirk and Duck offer her to do threesome with them as the effort to have a baby. Third, Weetzie's consideration that Dirk and Duck will give a lot of love for her baby. The last, Weetzie's relationship with Dirk and Duck as her best friend makes her more sure to do it with them. In result, the factors of Weetzie decides to do threesome with a pair of gays, Dirk and Duck are desire to have a baby, the offer to do threesome, consideration of a lot of love for her baby, and loving friendship.

While a pair of gays' point of view shows the factors that make up Dirk and Duck' sexual desire to do threesome are firstly, Dirk and Duck also want to have a baby but it is impossible because they are gay. Secondly, Dirk and Duck imitate the

idea of doing threesome from the talkshow that they ever seen. Lastly, their relationship with Weetzie make them decide to do it with her. Hence, the factors of a pair of gays, Dirk and Duck, decide to do threesome are desire to have a baby, the influence of talkshow, and loving friendship.

From those points of view, Weetzie and a pair of gays, Dirk and Duck, decide to do threesome because of their id to have a baby. They ignore the needs of anyone else and only care with their own satisfaction. Moreover, they do threesome as their ego. It is the realistic strategy to obtain their needs to have a baby. Moreover, through threesome they show that their sexual desire is unstable. Weetzie as heterosexual female who desire to do sexual activity with a single partner changes her desire to do sexual activity in a group. While a pair of gays, Dirk and Duck as homosexual male changes her desire as bisexual. It deals with queer theory that defines human sexuality as a fluid, fragmented, dynamic collectivity of possible sexualities.

Furthermore, this study also describe the effect of their threesome to Weetzie's life depicted in the novel. It shows that even Weetzie gets a baby like she wants but she should feel sufferings because My Secret Agent Lover Man leaves her. She feels really loss him especially during her pregnancy. Even she always accompanied by Dirk and Duck, but it can not change her sadness because of the absence of My Secret Agent Lover Man.

In addition, this study would like to say that the law of threesome in Islam is forbidden. Besides it shows the bad way to express sexuality, threesome in this story

is done before marriage. According to Islamic law, sexual intercourse before marriage is forbidden because it is such kind of evil way. As Allah said in Holy Qur'an

وَلَا تَقْرُبُوا الزَّوْجَ ۗ إِنَّهَا فَوَاحِشٌ مُّسَاءَسَاءٍ سَبِيلًا

The meaning: *And do not approach unlawful sexual intercourse.*

*Indeed, it is ever an immorality and is evil as a way.*

*(Al-Isra:32)*
