## **CHAPTER V**

## CONCLUSION AND SUGESTION

## 5.1 Conclution

Language that performed by community has proved that the language variation. Such as jargon term used by communities in stand up comedy that has special words as a term in technical stand up comedy in their performances. The term is used as a term for assessment comic performance from jugdes, mentor in giving additional sugestion and guide, and host as master of ceremony during the event runs.

Language variations in comunity of stand up comedy have special term as a distinc between a comedian comunity with other communities. The use of jargon in stand up comedy academy contained in communications happen in every competition, especially when the jugdes give a comment, a mentor to add assessment and guide the comic, and Also used by the hosts during the competition.

In the stand-up comedy, there are 40 jargons that is used as a term that is in stand-up comedy academy. Jargon used by jugdes and mentor is *act out*, *roasting, premise, punchline, Gerr*, and the term used by the hosts just as the addressee *mentor*, *jugdes*, *comics*, *the bottom two*, *and hanging mic*. The word used by jugde, mentors and host is common words that are not usually heard by the daily conversation.

In the use of the term researchers discovered 5 of word formation process of a 10 word formation process based George Yule theory. There are two (2) include that word coinage, such *Gerr* to assess the comic. Fourteen (14) include borowwing word, such as *explore*, *delivery* and *premis*. Thirteen (13) compounding, such as *gantung mic and ambil mic*. Seven (7) conversion, one (1) clipping, and three (3) words include derivational such *mengeksekusi* and *tantangan*.

## **5.2 Sugestion**

This research is discuss about Stand Up Comedy Academy in Indonesia. In this competition the needed more perpicacity and ability from comic to follow the competition. There are language which special term in another comunity in the television. The researcher sugest the same study that discuss about same study that is comunity that show in television as the language variation that exist in Indonesia.
