## ABSTRACT

Permadani, Nova Intan. (2022). *Teacher's Selection of English Textbooks for Teaching Islamic Junior High School Students in East Java*. A Thesis. English Language Education Department, Faculty of Tarbiyah and Teacher Training, State Islamic University of Sunan Ampel Surabaya. Advisor I: Drs. Muhtarom, M.Ed., Grad, Dipl. TESOL., Advisor II: Dr. Siti Asmiyah, M. TESOL.

Key Words: *Supplementary English Textbook, Selection, Consideration.*

Selecting a textbook is crucial for the sustainability of the learning system. This is because the selection of a textbook considers a number of factors that can help the teachers assess a given textbook's appropriateness for the tasks, materials, and other needs of some aspects. This research intended to explore the teacher's criteria of supplementary English textbooks that tend to be as their considerations in the selection process and to identify the teacher's considerations in selecting English textbooks as supplementary books consistent with theories and previous studies. To answer the issue, this research administered a survey questionnaire through Google Form to nineteen English teachers in different Islamic junior high schools scattered in East Java listed in the internship program of the college. The data was analyzed descriptively using SPSS. The finding showed that all the twelve points presented of teacher's selection of English textbooks as supplementary books were considered by the teachers and the fourteen of teacher's considerations were divided into four aspects such as program factor, teacher factor, student factor, and also pedagogical factor. Therefore, the result of this study can be useful for English teachers, publishers, and future researchers.

## ABSTRAK

Permadani, Nova Intan. (2022). *Teacher's Selection of English Textbooks for Teaching Islamic Junior High School Students in East Java*. A Thesis. Pendidikan Bahasa Inggris, Fakultas Tarbiyah dan Keguruan, Universitas Islam Negeri Sunan Ampel Surabaya. Pembimbing I: Drs. Muhtarom, M.Ed., Grad, Dipl. TESOL., Pembimbing II: Dr. Siti Asmiyah, M. TESOL.

Kata Kunci: *Buku Bahasa Inggris Tambahan, Pilihan, Pertimbangan*

Memilih buku teks sangat penting untuk keberlangsungan sistem pembelajaran. Hal ini karena pemilihan buku teks mempertimbangkan sejumlah faktor yang dapat membantu para guru menilai kesesuaian buku teks yang diberikan untuk tugas, materi, dan kebutuhan lainnya dari beberapa aspek. Penelitian ini dimaksudkan untuk mengeksplor kriteria guru terhadap buku teks bahasa Inggris tambahan yang cenderung menjadi pertimbangan mereka dalam menyeleksi buku teks bahasa Inggris sebagai buku pelengkap yang sesuai dengan teori dan penelitian terdahulu. Untuk menjawab masalah ini, penelitian memberikan kuesioner survei kepada sembilan belas guru bahasa Inggris di berbagai Madrasah Tsanawiyah Negeri yang tersebar di Jawa Timur yang terdaftar dalam program magang dari perguruan tinggi. Data dianalisa menggunakan SPSS. Temuan tersebut menunjukkan bahwa dua belas pokok yang dikemukakan terkait pilihan guru terhadap buku teks bahasa Inggris sebagai buku tambahan dipertimbangkan oleh para guru, dan empat belas pertimbangan dibagi ke dalam empat aspek seperti faktor program, faktor guru, faktor siswa, dan faktor pedagogis. Oleh karena itu hasil dari penelitian ini berguna bagi guru, penerbit, dan peneliti berikutnya.
