“Interpretation of Qur’an surah Al-Ma’un the first verse
Comparative Study between Ibnu Jarir at-Tobari and
Abu Laith as-Samarqandi”

To be a perfect humans is the big wish of everyone, moreover within His affection. Many ways human throughed for reaching happiness in the world and hereafter. It is one reason there many humans too busy with their business until they forget that there was another human that need to help to.

As prophet follower, we should hang on His path. Love to another human with his respect never look at the position even less weak peson such as pauper and orphan. Prophet watches them very pity, so that he order his fellow to do the good thing to love and protect them.

It was an important lesson when the humans existence as social creature be asked. Human would not escaped of sorrow in his lifes. Therefor contemplating the meaning that contains in this *surah* was a necessary. In order to remind human to do not deny another and without love each other. Last religion must be gathered between ritual vertical and horizontal in order to be balanced.
