ABSTRACT

Devy Febian Arisandy Bahtiar, 2023. *The Role of the European Union through the Forest Law Enforcement System, Governance and Trade-Voluntary Partnership Agreement in Supporting the Achievement of Sustainable Development Goals in Ghana. Thesis of the International Relations Study Program, Faculty of Science and Social and Politics, UIN Sunan Ampel Surabaya.*

Keywords: Role, European Union, FLEGT-VPA, SDGs.

In 2019, the Forest Law Enforcement, Governance and Trade-Voluntary Partnership Agreement (FLEGT-VPA) system was implemented in Ghana. The Ghanaian government is working to achieve the SDGs. Before the FLEGT-VPA, the achievement of SDGs in Ghana was not very optimal. After the FLEGT-VPA, several goals can be achieved in Ghana. So the focus of this research is what is the role of the European Union through the FLEGT-VPA System in Supporting the Achievement of the SDGs in Ghana. To answer the research focus, researchers used a descriptive qualitative approach, collecting data through documentation. In this research, researchers use K.J Holsti's role conception to analyze the role of the European Union in the implementation of FLEGT-VPA. The results of this research show that through FLEGT-VPA, the European Union plays a role as; 1. Development, 2. Example, 3. Internal Development.. Implementation of FLEGT-VPA in Ghana has had positive impacts, such as increased control over logging activities, increased income for local communities, and increased monitoring of forest sector exports.

ABSTRAK

Devy Febian Arisandy Bahtiar, 2023. *Peran Uni Eropa melalui Sistem Forest Law Enforcement, Governance and Trade-Voluntary Partnership Agreement dalam Mendukung Tercapainya Sustainable Development Goals di Ghana.* Skripsi Program Studi Hubungan Internasional Fakultas Ilmu dan Sosial dan Politik, UIN Sunan Ampel Surabaya.

Kata Kunci: Peran, Uni Eropa, FLEGT-VPA, SDGs.

Pada tahun 2019 Sistem *Forest Law Enforcement, Governance and Trade-Voluntary Partnership Agreement* (FLEGT-VPA) terimplementasi di Ghana. Pemerintah Ghana tengah berupaya untuk mencapai SDGs. Sebelum adanya FLEGT-VPA pencapaian SDGs di Ghana tidak terlalu optimal. Setelah adanya FLEGT-VPA pencapaian SDGs di Ghana bisa tercapai di beberapa goals. Sehingga fokus dari penelitian ini adalah bagaimana peran Uni Eropa Eropa melalui Sistem FLEGT-VPA dalam Mendukung Tercapainya SDGs di Ghana. Untuk menjawab fokus penelitian tersebut, peneliti menggunakan pendekatan kualitatif deskriptif, dengan pengumpulan data melalui dokumentasi. Dalam penelitian ini, peneliti menggunakan konsepsi peran dari K.J Holsti untuk menganalisis peran Uni Eropa dalam Implementasi FLEGT-VPA. Hasil penelitian ini menunjukkan melalui FLEGT-VPA, Uni Eropa berperan sebagai; 1. *Develompent*, 2. *Example*, 3. *Internal Development*.. Implementasi FLEGT-VPA di Ghana telah memberikan dampak positif, seperti peningkatan kontrol terhadap kegiatan penebangan kayu, peningkatan pendapatan bagi masyarakat lokal, dan peningkatan pemantauan terhadap ekspor sektor hutan.
