ABSTRACT

Afaria, S.W. (2024). *Analysis of Deixis in the Lyrics of Miley Cyrus' Album Endless Summer Vacation*. English Literature Department, Faculty of Adab and Humanities, UIN Sunan Ampel Surabaya. Advisors: (I) Tristy Kartika Fi'aunillah, M.A., (II) Prof. Dr. A. Dzo'ul Milal, M.Pd.

The research aimed to analyze the use of deixis in song lyrics on the Endless Summer Vacation album by Miley Cyrus. Deixis provided a specific clue about the lyrics' people, time, and places related to emotional experiences. Therefore, in this study, the researcher answered the formulation of the problems, namely (1) What types of deixis are found in the songs of Miley Cyrus' *Endless Summer Vacation* album, and (2) How do the functions of deixis relate to the themes of the songs in Miley Cyrus' *Endless Summer Vacation* album.

This research used a descriptive qualitative approach to analyze the data. The researcher collected data by copying and reading the song lyrics carefully and repeatedly. Next, the researcher identified words or phrases containing deixis in the lyrics that had been read and listened to, using a comprehensive framework for analysis. Then, the researcher classified the data based on type and analyzed the types of deixis found and the functions related to the themes on the *Endless Summer Vacation* album.

The researcher has found three types of deixis based on Yule's (1996) theory in the *Endless Summer Vacation* album: deixis of person, spatial, and temporal. This research showed that deixis in song lyrics built relationships between singers and listeners and provided important context for time and place. In the *Endless Summer Vacation* album, the themes included self-empowerment, emotional strength, loneliness, uncertainty in love, betrayal, emotional intimacy, deep love, courage, freedom, emotional struggle, and happiness. Deixis was crucial in conveying these themes and providing in-depth information about the writer's experiences. The analysis showed that there were 82 instances of deixis. The person deixis type was the most frequently used by the singer, with 38 cases. Next, temporal deixis appeared 25 times. Finally, spatial deixis was recorded 19 times. The researcher suggested that future researchers choose objects like political pamphlets, advertisements, or even the latest albums and use more detailed theories.

Keywords: Deixis, Song Lyrics, *Endless Summer Vacation* album, Miley Cyrus

ABSTRAK

Afaria, S.W. (2024). *Analisis Deiksis dalam Lirik Lagu Album Endless Summer Vacation Karya Miley Cyrus*. Jurusan Sastra Inggris, Fakultas Adab dan Humaniora, UIN Sunan Ampel Surabaya. Pembimbing: (I) Tristy Kartika Fi'aunillah, M.A., (II) Prof. Dr. A. Dzo'ul Milal, M.Pd.

Penelitian ini bertujuan untuk menganalisis penggunaan deiksis dalam lirik lagu pada album *Endless Summer Vacation* oleh Miley Cyrus. Deiksis memberikan petunjuk khusus tentang orang, waktu, dan tempat yang berkaitan dengan pengalaman emosional dalam lirik lagu tersebut. Oleh karena itu, dalam penelitian ini, peneliti menjawab rumusan masalah, yaitu (1) Jenis-jenis deiksis apa saja yang terdapat dalam lagu-lagu pada album *Endless Summer Vacation* karya Miley Cyrus, dan (2) Bagaimana fungsi-fungsi deiksis tersebut berkaitan dengan tema-tema lagu pada album *Endless Summer Vacation* karya Miley Cyrus.

Penelitian ini menggunakan pendekatan kualitatif deskriptif untuk menganalisis data. Peneliti mengumpulkan data dengan cara menyalin dan membaca lirik lagu secara cermat dan berulang-ulang. Selanjutnya, peneliti mengidentifikasi kata atau frasa yang mengandung deiksis dalam lirik yang telah dibaca dan didengarkan, dengan menggunakan kerangka kerja yang komprehensif untuk analisis. Kemudian, peneliti mengklasifikasikan data berdasarkan jenisnya dan menganalisis jenis-jenis deiksis yang ditemukan serta fungsi yang berhubungan dengan tema pada album *Endless Summer Vacation*.

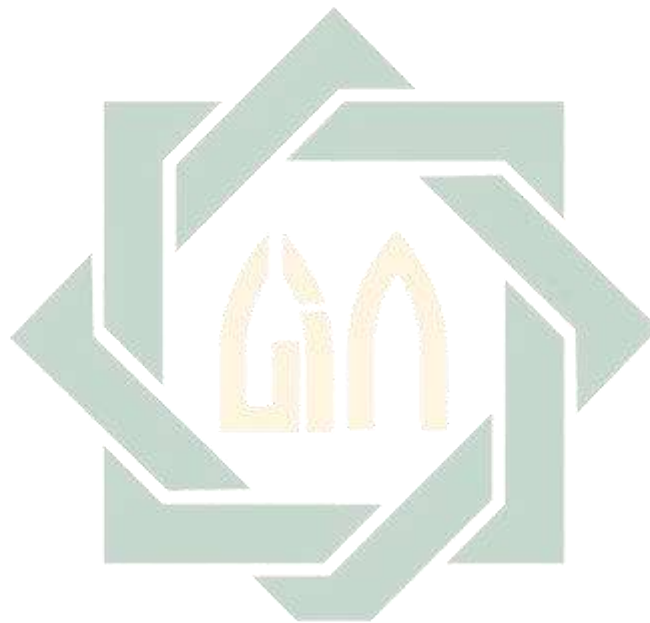

Peneliti telah menemukan tiga jenis deiksis berdasarkan teori Yule (1996) dalam album *Endless Summer Vacation*, yaitu deiksis persona, spasial, dan temporal. Penelitian ini menunjukkan bahwa deiksis dalam lirik lagu membangun hubungan antara penyanyi dan pendengar dan memberikan konteks penting untuk waktu dan tempat. Dalam album *Endless Summer Vacation*, tema-tema yang diangkat meliputi pemberdayaan diri, kekuatan emosional, kesepian, ketidakpastian dalam cinta, pengkhianatan, keintiman emosional, cinta yang mendalam, keberanian, kebebasan, perjuangan emosional, dan kebahagiaan. Deiksis sangat penting dalam menyampaikan tema-tema ini dan memberikan informasi mendalam tentang pengalaman penulis. Hasil analisis menunjukkan bahwa terdapat 82 contoh deiksis. Jenis deiksis persona adalah yang paling sering digunakan oleh penyanyi, dengan 38 kasus. Berikutnya, deiksis temporal muncul sebanyak 25 kali. Terakhir, deiksis spasial tercatat sebanyak 19 kali. Peneliti menyarankan agar peneliti selanjutnya memilih objek seperti pamflet politik, iklan, atau bahkan album terbaru dan menggunakan teori yang lebih rinci.

Kata Kunci: Deiksis, Lirik Lagu, Album *Endless Summer Vacation*, Miley Cyrus
