

ABSTRAK

SEPTA ANDRIAWAN. Implementasi Pemikiran Az-Zarnuji Tentang Akhlak Peserta Didik Terhadap Guru di MA Tarbiyatut Tholabah Kranji Paciran Lamongan. Surabaya: Jurusan Pendidikan Agama Islam Fakultas Tarbiyah Dan Keguruan UIN Sunan Ampel Surabaya, 2016.

Latar belakang penelitian ini adalah pentingnya menjaga hubungan antara peserta didik terhadap guru dan menuntut peserta didik agar senantiasa menjaga akhlaknya ketika berhubungan dengan seorang guru. Dengan senantiasa menjaga akhlaknya, peserta didik akan semakin terhindar dari perbuatan yang menimbulkan sakit hati atau marah seorang guru. kemanfaatan ilmu yang diterima peserta didik dari seorang guru juga bergantung dari bagaimana peserta didik itu menjaga hati guru.

Dalam menjaga akhlak peserta didik, Syekh BurhanuddinAz-Zarnuji di dalam karya beliau yang berjudul *Ta'lim al-Muta'allim* telah memberikan pedoman kepada peserta didik tentang bagaimana seharusnya akhlak peserta didik terhadap guru. Pemikiran Az-Zarnuji tentang akhlak peserta didik terhadap guru ini juga masih banyak diterapkan atau diimplementasikan di beberapa sekolah yang berada di dalam lembaga yayasan pondok pesantren terutama di pondok pesantren salaf, salah satunya adalah sekolah MA TarbiyatutTholabahKranji Paciran Lamongan yang berada di dalam lembaga Yayasan Pondok Pesantren TarbiyatutTholabahKranji Paciran Lamongan.

Hasil penelitian ini menunjukkan bahwa implementasi pemikiran Az-Zarnuji tentang akhlak peserta didik terhadap guru di MA TarbiyatutTholabahKranji ini dilakukan dengan cara mengadopsi pemikiran Az-Zarnuji tentang akhlak peserta didik terhadap guru ke dalam tata tertib dan peraturan sekolah di MA TarbiyatutTholabahKranji Paciran Lamongan.

ABSTRACT

SEPTA Andriawan. Implementation of Az-Zarnuji Thinking About Moral of Students Against Master in MA TarbiyatutTholabahKranji Paciran Lamongan. Surabaya: Department of Islamic Education and Teacher Training Faculty of MT UIN Sunan Ampel Surabaya, 2016.

The background of this study is the importance of maintaining the relationship between the teacher and the learner requires learners to always keep her virtues when dealing with a teacher. By continuing to maintain moral, learners will increasingly avoid actions that might provoke or upset the teacher. received benefit science students of a teacher also depend on how learners that keep the heart of teachers.

In keeping with the character of learners, Sheikh Burhanuddin Az-Zarnuji in his work entitled *Ta'lim al-Muta'allim* has been providing guidance to students on how to morals students against teachers. Thought Az-Zarnuji about moral learners to teachers was also still widely applied or implemented in several schools in the institute foundation boarding school, especially in boarding old schools, one of which is the school MA TarbiyatutTholabahKranji Paciran Lamongan inside the institution Foundation Pondok Pesantren TarbiyatutTholabahKranji Paciran Lamongan.

The results of this study indicate that the implementation of thinking Az-Zarnuji about moral learners to teachers in MA TarbiyatutTholabahKranji is done by adopting the thought Az-Zarnuji about moral learners to teachers into the rules and regulations of the school in MA TarbiyatutTholabahKranji Paciran Lamongan.
