ABSTRACT

Hatta, M. H. (2024). *Language Style Used by the Football Commentators of 2024 Carabao Cup Final Match*. English Literature Departments, Faculty of Arts and Humanities, UIN Sunan Ampel Surabaya. Advisors: (I) Tristy Kartika Fiaunillah, M.A., (II) Prof. Dr. H. Mohammad Kurjum, M.Ag.

The study aimed to investigate the use of language styles by the commentators in the five key moments of a match from the 2024 Carabao Cup Final Liverpool FC vs Chelsea FC and the factors that influenced the three football commentators to use language style. The problems of this study are: 1. What are the types of language styles used by the football commentators in the 2024 Carabao Cup final match?; 2. What factors that influence the football commentators to use language style in the commentary of the 2024 Carabao Cup final match? Furthermore, the benefits of this study are to enhance the understanding of language style study from the commentary by the football commentators and to gain insight into the factors that influence the commentators to utilize the language style in the commentary of this match.

This study applied a qualitative descriptive approach in relation to the use of clear and systematic descriptions of the phenomena being studied. A descriptive study in the text form analysis was used in this study to analyze the commentaries from the three commentators of this match through the downloaded transcript of the video. All the required data were collected by first transcribing the video of the 2024 Carabao Cup Final match. The transcription was then analyzed by identifying the types of language styles according to Joss's theory and applying suitable commentary in the appropriate text. The analysis was continued by investigating the factors that influenced the commentators' use of language styles in the commentary using Holmes's social model theory.

This study proved that there were four types of language styles used by the three commentators. 35 data of consultative style, 14 data of casual style, 1 data of formal style, 1 data of frozen style, and the intimate style was not found in this study. The three commentators for this match, mainly use the consultative style while commentating. This domination proved that the three commentators maintain the professionalism of a commentator while handling such a spontaneous commentary in an informal event. The lack of intimate style used by the commentators showed that the professionalism of a sports commentator is a strict obligation to apply while commentating. This study also proved that the factors that influenced the three commentators to use the language style in the five key moments of this match are based on four factors, specifically the participants, situation and topic, and function.

ABSTRAK

Hatta, M. H. (2024). Gaya Bahasa yang Digunakan Komentator Sepak Bola pada Pertandingan Final Carabao Cup 2024. Program Studi Sastra Inggris, Fakultas Adab dan Humaniora, UIN Sunan Ampel Surabaya. Pembimbing: (I) Tristy Kartika Fi'aunillah, M.A., (II) Prof. Dr. H. Mohammad Kurjum, M.Ag.

Penelitian ini bertujuan untuk menyelidiki penggunaan gaya bahasa oleh para komentator dalam lima momen penting pertandingan dari Final Carabao Cup 2024 Liverpool FC vs Chelsea FC dan faktor-faktor yang mempengaruhi ketiga komentator sepak bola tersebut dalam menggunakan gaya bahasa. Masalah dari penelitian ini adalah: 1. Apa saja jenis-jenis gaya bahasa yang digunakan oleh komentator sepak bola pada pertandingan final Carabao Cup 2024; 2. Faktor-faktor apa saja yang mempengaruhi komentator sepak bola menggunakan gaya bahasa pada komentar pertandingan final Carabao Cup 2024? Selanjutnya, manfaat dari penelitian ini adalah untuk meningkatkan pemahaman tentang kajian gaya bahasa dari komentar oleh komentator sepak bola dan untuk mendapatkan wawasan tentang faktor-faktor yang mempengaruhi para komentator menggunakan gaya bahasa dalam komentar pertandingan ini.

Penelitian ini menggunakan pendekatan deskriptif kualitatif yang berkaitan dengan penggunaan deskripsi yang jelas dan sistematis mengenai fenomena yang diteliti. Studi deskriptif dalam bentuk analisis teks digunakan dalam penelitian ini untuk menganalisis komentar dari ketiga komentator pertandingan ini melalui transkrip video yang telah diunduh. Semua data yang dibutuhkan dikumpulkan dengan terlebih dahulu mentranskrip video pertandingan Final Carabao Cup 2024. Transkrip tersebut kemudian dianalisis dengan mengidentifikasi jenis-jenis gaya bahasa menurut teori Joss dan menerapkan komentar yang sesuai dalam teks yang sesuai. Analisis dilanjutkan dengan menyelidiki faktor-faktor yang mempengaruhi penggunaan gaya bahasa oleh komentator dalam komentar dengan menggunakan teori model sosial dari Holmes.

Penelitian ini membuktikan bahwa ada empat jenis gaya bahasa yang digunakan oleh ketiga komentator, 35 data gaya konsultatif, 14 data gaya kasual, 1 data gaya formal, 1 data gaya beku, dan tidak ditemukannya gaya intimate pada penelitian ini. Ketiga komentator untuk pertandingan ini, lebih banyak menggunakan gaya konsultatif saat mengomentari pertandingan. Dominasi ini membuktikan bahwa ketiga komentator tetap menjaga profesionalitas seorang komentator dalam mengomentari pertandingan yang berlangsung secara spontan dalam sebuah acara yang tidak formal. Minimnya gaya intim yang digunakan oleh para komentator menunjukkan bahwa profesionalitas seorang komentator olahraga merupakan sebuah kewajiban yang harus diterapkan dalam berkomentar. Penelitian ini juga membuktikan bahwa faktor-faktor yang mempengaruhi ketiga komentator menggunakan gaya bahasa pada lima momen penting dalam pertandingan ini didasari oleh empat faktor, yaitu partisipan, situasi dan topik, dan fungsi.
