Keywords: Digital Media, Students' Interest, English as Foreign Language.

Technology has become an important tool for the sectors that use it. For thousands of years, technology has played a role in helping humans to solve various problems. In today's era, the use of technology is not only used in the engineering sector; but also in other sectors, including the education sector. With several available features, technology is widely used in schools and is believed to help improve the quality of education. In this study, the researcher used one of the technological media that will be provided to the students. With the use of quantitative methods, researchers can determine significant results regarding the impact of technology use in the learning process. Therefore, this thesis discusses the usefulness and impact of using digital media in schools. During the writing of this, the author was guided and accompanied by supervisors Ma'am Afida Safriani and Mr. Muhtarom to improve the quality of this writing.

Kata Kunci: Media Digital, Minat Siswa, Inggris menjadi Bahasa Asing.

Teknologi telah menjadi alat penting bagi sektor-sektor yang menggunakannya. Selama ribuan tahun, teknologi telah berperan dalam membantu manusia menyelesaikan berbagai masalah. Di era saat ini, penggunaan teknologi tidak hanya digunakan di sektor teknik; tetapi juga di sektor lainnya, termasuk sektor pendidikan. Dengan beberapa fitur yang tersedia, teknologi banyak digunakan di sekolah-sekolah dan diyakini dapat membantu meningkatkan kualitas pendidikan. Dalam penelitian ini, peneliti menggunakan salah satu media teknologi yang akan disediakan kepada para siswa. Dengan menggunakan metode kuantitatif, peneliti dapat menentukan hasil yang signifikan mengenai dampak penggunaan teknologi dalam proses pembelajaran. Oleh karena itu, tesis ini membahas kegunaan dan dampak penggunaan media digital di sekolah. Selama penulisan ini, penulis dibimbing dan didampingi oleh pembimbing Ibu Afida Safriani dan Bapak Muhtarom untuk meningkatkan kualitas tulisan ini.
